NILLUMBIK TOURNAMENT

A successful day out at Diamond Creek for our 13U, 15U & 17U teams.

Over 75 Sandy players, 10 coaches and countless supporters took the long drive on a beautiful morning over to the Nillumbik Netball Centre. The crisp morning warmup with players in jumpers and trackies quickly turned into a hot and sunny afternoon with sunscreen, icy poles and red faces.

The weekend started off with players and coaches isolating at a disastrous rate! We went from having 9 & 10 players expected in each team, to just managing to field teams. As has been the case for all this strange time, our SANDY community just kept on rolling and finding a way through.

It was a truly amazing effort to see so many teams making finals (Four out of Five Divisions). We played on average eight games each with very little rest on a hot day against teams that were sometimes 12 deep. Every single SANDY player (and coach) slept well that night!

A VERY BIG THANK YOU to everyone that helped set up & pack up the tents. They were put to great use! (EXTRA thanks to the Whitehouse & Vaughan families for the pickup & dropoff).

Also a huge thank you to Sam, Steph & Kate for stepping into coaching roles for the day – we couldn't have had such a great day without you.

ALTONA TOURNAMENT - UNDER 11S

Our 2022 Under 11 Program has commenced and two super keen teams overseen by four super keen coaches headed out to Altona on Sunday April 10 for the Under 11s first tournament for the season.

It was an action packed, fun filled day full of energy, learning and fun. We are looking forward to working with this super squad over the next few months and watch the stars of the future develop, learn and grow.

Tayla Fox - Club Captain

I am the 2022 club captain so I thought I'd write a little bit about myself in hopes that those that don't know me well or at all can feel a little more connected to me and that you know something about me. I look forward to working with everyone and getting to know all players at the club over the season!

I currently play in the SANDY Opens Team as well as coaching the amazing 15-2s. I have grown up at Sandringham - playing and coaching here for years. I play mid court (WA is my favourite) but also really enjoy playing WD and GD at a domestic level. My domestic club is Hampton Hammers, which I have also been at since year 6 and I have loved it.

Outside of netball I'm currently studying at The University of Melbourne doing a Bachelor of Science and am also playing touch rugby.

As the club captain I would love to be a role model for everyone in all domains of life and I would love to help in any way I can so if anyone has any question (it doesn't have to be netball related) I'm always there! I also really want to build those inter age group relationships so I'm very excited to get to know everyone and then help everyone else get to know those that aren't in their team or even their age group. Thank you to the coaches for choosing me, I'm very grateful and I'll see everyone on the at the courts!
